

The Power Source | Application

 **ACTION:** As you work through this study, ask the Lord to enable you to gain truth both to implement in your own life and to assist those you will be discipling.

 **READ: Ephesians 1:17-20; Romans 8:10-11**

 **WRITE:** What does it mean to you to know that the power of the Spirit of God, the same power that overcame sin and death on the cross, is indwelling and working within the lives of each believer?

 What specific differences would it make in your life if you chose to consistently tap into this power?

 What are some habits you can put in place to depend more fully on the Holy Spirit's power?

 Ask the Lord to enable you, moment by moment, throughout each day to become more aware of His presence and dependent upon His power.

 **READ: Judges 6:11-16**

 According to verse 15, how did Gideon view himself?

Notice when the angel of the Lord addressed Gideon, he called him a **“mighty warrior”**. (v. 12) He did not say, “You will one day be a mighty warrior,” or “If you work hard enough, perhaps you can become a mighty warrior.”

 Why did the angel of the Lord view Gideon differently than Gideon viewed himself? (v. 12, 16)

 List the distinct differences between someone who relies on the Lord's help and someone who does not.

✍ Why does God promise to us His supernatural power rather than create for us less difficult circumstances?

✍ Why is it important that we embrace our true identity, our full potential in Christ, rather than settle for the way we see ourselves or the way others view us?

💡 **REMEMBER:** Learning to rely on God's power is a process that begins with grasping the unlimited power that is available to us. However, for the truth of God's power to be effective we must consistently rely on it rather than investing in personal feelings or the opinions of others. In other words, to be continually powerful and effective, each believer must remain plugged-in to the unlimited power source: Almighty God!

✍ What specific differences would it make in your life if you developed a lifestyle of taking every situation to the Lord in prayer?
